

Dear colleagues!

Grebenschikov Institute of Silicate Chemistry of Russian Academy of Sciences - the leading research centre of Inorganic Chemistry in the North West of Russia is holding the Fifth Anniversary International Conference of CIS countries "Sol-gel 2018". The researchers, engineers, technologists, teachers, under graduate and graduate students whose scientific and working career is associated with sol-gel technology are welcome.

Sessions of the Conference

- **Theoretical aspects of sol-gel process** – chairman: Prof. A.V. Agafonov (ISC RAS, Ivanovo)
- **Sol-gel synthesis and research of nanoparticles** – chairman: Prof. V.V. Kozik (NR TSU, Tomsk)
- **Sol-gel films, coatings and membranes** – chairman: Prof. O.A. Shilova (ISC RAS, Saint-Petersburg)
- **Hybrid inorganic and organic-inorganic sol-gel materials** – chairman: Corr. Member RAS Yu.A. Schipunov (IC FEB RAS, Vladivostok)
- **Xerogels, glass and bulk ceramic materials synthesized by sol-gel method** – chairman: Prof. E.P. Simonenko (IGIC RAS, Moscow)
- **Sol-gel materials for environmental protection, agriculture and biomedicine applications** – chairman: Prof. V.G. Kessler (Swedish University of Agricultural Sciences, Uppsala)
- **Applications of sol-gel science and technology** – chairman: Ph.D. V.V. Vinogradov (ITMO University, Saint-Petersburg)

The program involves:

- 1) **The school of young scientists**, the leading specialists of sol-gel technology will give lectures.
- 2) **The contest of posters** among young scientists of under 35 years old (undergraduate and graduate students, young specialists in sol-gel

synthesis of inorganic, hybrid inorganic and disperse systems).

Key dates

October, 15 2017 – preliminary registration deadline

January, 15 2018 – abstract submission deadline

February 2018 – information on the conference abstract acceptance

27.08 – 31.08.2018 – Conference «Sol-gel 2018»

The forms, registration rules and Abstracts submission are available on the Conference website www.sol-gel2018.ru

Registration fee

The amount of the charge is optional.

- Standard fee - the participant's portfolio, welcome dinner, coffee breaks;

- Extended fee - the participant's portfolio, welcome dinner, coffee breaks and 1 or 2 sightseeing tours;

- Full fee - the participant's portfolio, welcome dinner, coffee breaks, 2 sightseeing tours and the banquet at a restaurant on the bank of the Gulf of Finland.

- Correspondence fee.

The sums of the fees will be specified in the 2nd information announcement.

The cultural program of the conference involves visiting the Tsarskoye Selo with a focus on sightseeing Catherine Palace and the Amber Room as well as a boat trip along rivers and channels of Saint-Petersburg.

Contact information

Information about the event is available on the Conference website:

www.sol-gel2018.ru

The Organizing Committee is available by E-mail:

SolGelCIS2018@iscras.ru

or by phone

The date and location of the conference

August 27-31, 2018; Institute of Silicate Chemistry of Russian Academy of Sciences 199034, Makarova naberezhnaya 2, Saint-Petersburg

FASO Russia
The Chamber of Chemistry and Material
Sciences of RAS
Russian Foundation for Basic Research
Institute of Silicate Chemistry of RAS
Ceramic and Glassy Materials Scientific Council
of RAS
The United Scientific Council on Chemical
Sciences of the St. Petersburg Scientific Centre
of RAS
Russian Ceramic Society

THE FIFTH INTERNATIONAL CONFERENCE OF THE CIS COUNTRIES

**Sol-gel synthesis and research of inorganic
compounds, hybrid functional materials and
disperse systems
«Sol-gel 2018»**

First Information Announcement

**August 27-31, 2018
Saint-Petersburg**

ORGANIZING COMMITTEE

Chairman:

Academician of RAS
V.Ya. Shevchenko

Scientific secretary:

Prof. O.A. Shilova

Members of the organizing committee

Academician of RAS V.M. Ievlev
Academician of RAS A.I. Khol'kin

Academician of RAS V.P. Meshalkin

Academician of NASU V.V. Strelko

Corresponding Member of RAS
V.K. Ivanov

Corresponding Member of NASU
B.Yu. Kornilovich

Corresponding Member of RAS
A.I. Nikolaev

Corresponding Member of RAS
V.G. Sevastyanov

Corresponding Member of RAS
Yu.A. Schipunov
